WRWA MEMBERSHIP APPLICATION

The purpose of the Windham Regional Woodlands Association [WRWA] is to promote sound forestry practices through creating interest in and spreading knowledge about making wise use of our woodland resources. Too many woodlot owners neglect their forests, unaware that a relatively small outlay will produce substantial returns, as well as conserve and increase one of Vermont’s principal assets.

In becoming a member, you have the opportunity not only to increase your knowledge of how to care for your woodlot, but also to encourage others to learn – a truly worthwhile cause. You do not have to own woodland to join. Anyone interested in promoting our goals, receiving our newsletter, or attending meetings and workshops is welcome.

Our membership year runs from July 1 through June 30 each year, with the Annual Meeting being held in September. Basic annual dues are only \$20.00.

Our income is used to further forestry education of young and old through scholarships, periodic newsletters (four per year), bulletins, meetings, and field trips. All membership fees above the basic \$20.00 may be placed in the Scholarship Fund or the Halsey Hicks Education & Program Fund. Such additional funds are tax-deductible.
